PAST PERFORMANCE

MEDICAID Ongoing (2018–Present)

Providing specialized home health services to Medicare and Medicaid beneficiaries, including skilled nursing, therapies, and personal care, while maintaining Medicaid compliance and a 95% satisfaction rate. Using advanced care coordination and management systems, we deliver quality services across multiple locations. Our contracts, totaling over \$1.5 million, demonstrate a strong track record of compliance, success, and partnerships with hospitals and rehabilitation centers.

MEDICARE May 2022–Present

Provided non-emergency transportation services to Medicare recipients, managing complex scheduling and ensuring timely, reliable transport. Complied with ADA requirements and maintained high safety standards, including specialized vehicles for wheelchair access. Delivered consistent, quality service across multiple locations, supporting recipients' access to essential medical appointments.
